

The Well's Jetpack Program:

Free Weekend Food for Your Child

The JetPack Program provides nutritious, non-perishable food to children each weekend during the school year. If your family is in need of food assistance, please let us help. Our schools provide high standards and very challenging academic goals for our children. To succeed, students must be ready to learn. Adequate nutrition—fuel for the mind—is essential. Having adequate food on the weekend

helps a child succeed in the classroom on Monday.

Each student who participates in the JetPack program will receive a packet of food at the end of each school week containing basics for breakfast and lunch for Saturday and Sunday. Packets are distributed discreetly (slipped into backpacks or lockers) so as not to draw attention to the child. Information collected on the registration form, as well as the names of children participating, is kept confidential between The Well and the school. The food is provided at no cost to you or your child.

The JetPack program at each campus is a cooperative effort of The Well Outreach, your school, and the sponsoring organization that funds and packs the bags. In addition to this program, The Well operates a food pantry at 5306 Main Street in Spring Hill. If your family would benefit from visits to the pantry in addition to the JetPack program, please visit or for more information, please call The Well at 615-302-9355 or go to www.springhillwell.org.

If you would like for your child to participate in this food assistance program, please fill in and sign the form below and return it to your school office or you can also register online: go to

<https://forms.gle/biJku1ZYGH7teDwn6> to register your child. Please fill out a separate registration form for each student in the family.

JetPack Consent Form

Please sign my child up for the JetPack Program. I understand that my child will soon start receiving a bag of food at the end of each week for his/her use over the weekend.

2020-2021 School Year

What is the Well Outreach?

The Well Outreach is a non profit that provides food to families in need in Williamson and Maury Counties. If your family is in need of food, The Well can support you in three different ways. First is through the **Jetpack program** where we can provide your child with food on the weekends distributed at their school on Fridays. The second is through our **local food pantry** where you can receive groceries twice each month including dairy and frozen meat. The third way is through our monthly **mobile food pantries** where we bring a truck full of food from Nashville and distribute it to a local community on a Friday or Saturday Morning.

For information about The Well, please visit our website www.springhillwell.org where we have dates for our Mobile Food Pantries as well as further information about our services.

It takes a Community to Feed a Community
